News and Announcements

MetalTrax Las Vegas Users Group

We have scheduled a MetalTrax Training and Users Group seminar in Las Vegas on November 12-13. Cost will be \$250 dollars per day, per person. This fee does not include air fare, food, or lodging.

Schedule:

11/12 - Training session on new features in MetalTrax

11/13 - Users Group

We must have at least 10 people committed to attending so please RSVP as soon as possible if you are interested in participating.

- Vendor Maintenance - Added feature #2211 to base average days calculation on last 12 months only to speed up display
- Enter PO - Made feature #2525 prohibit issuing POs to inactive vendors

Accept Credit Card Payments in MetalTrax

KSS has teamed up with CAM Software Solutions to provide our clients with a fast and secure payment-processing platform that can be integrated with MetalTrax. If your company would like to add the ability to accept credit cards, debit cards, and perform check verifications to MetalTrax, please call Don for details.
